

# Top 10 Genres with most albums in store

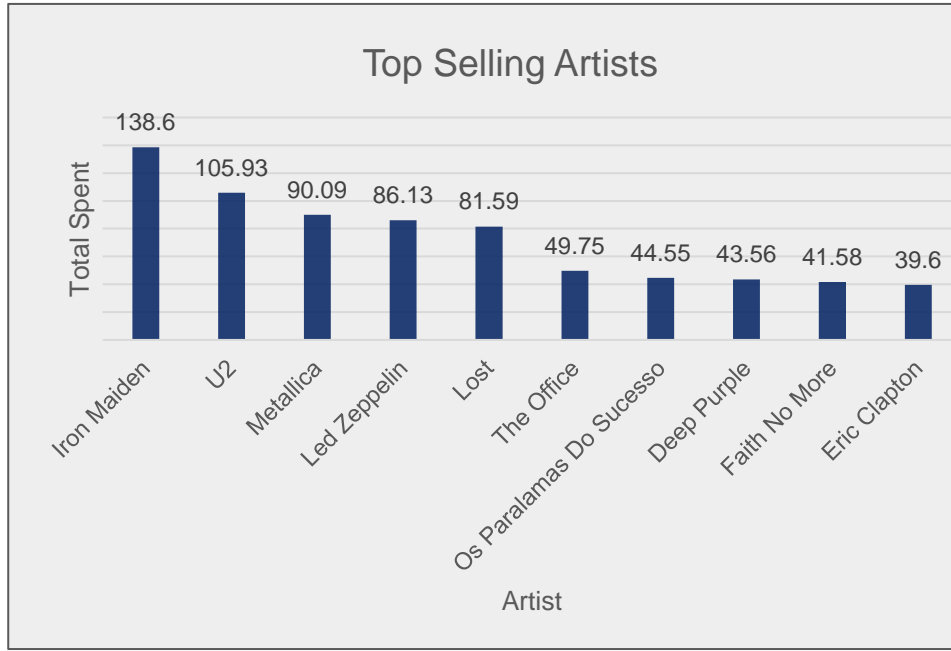

Suffice it to say that Rock and Classical are the main genres for the store, as both have albums more than the rest combined.

# Top 5 Selling Genres

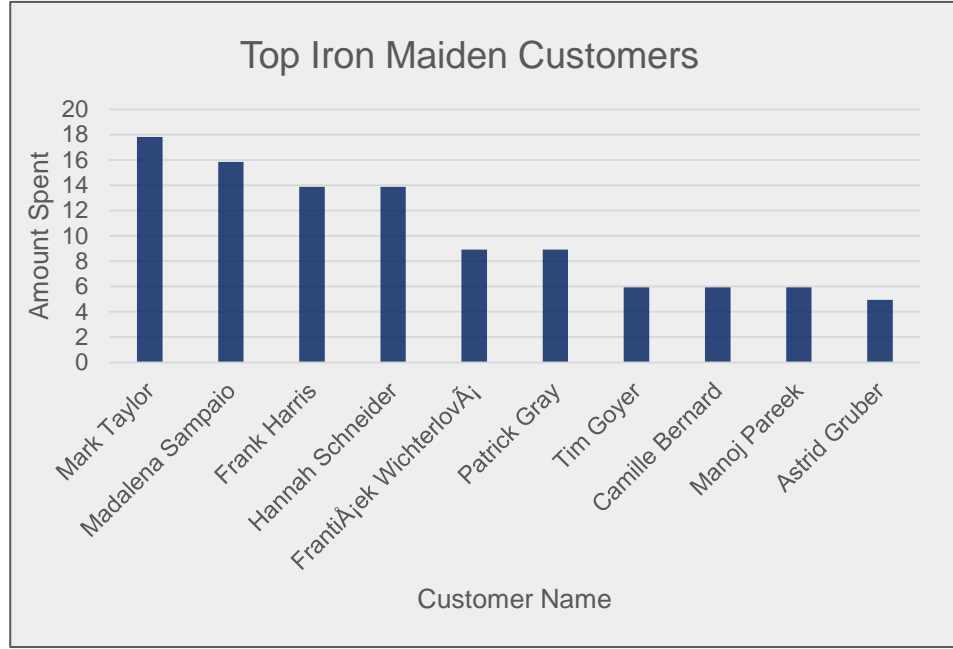

Rock is the top-selling genre in the store, I doubt that comes as a surprise as it has the most albums. Interestingly, Classical did not make it to the top 5 while it came second in the most album in store.

# Top 10 Selling Artists

Iron Maiden comes first, but not at a far distance. Overall, they are close to each other

# Top 10 Customers for the top selling Artist

Mark Taylor comes first as Iron Maiden's top customer. While there are no big differences between all of them.
